## Project Information

1. Describe how this project will impact short and long term natural resource issues:

2. Describe the project or event, including expected outcome, area served, project timeline, project size, and target audience:

3. How will requested funding and/or other support from WMSWCD be utilized and what funding or other support, including in-kind, has already been secured elsewhere, has been applied for, or can be applied for using WMSWCD support as match (provide a description that relates to the more detailed budget, item #8):

4. What sources of technical information did you use to develop a reference-based plan (cite internet & written references, information & assistance received from technical advisor)? What level of technical assistance has been provided by your listed technical contact to inform your project plan? Is your plan currently complete?:

5. Explain how WMSWCD's participation will be recognized (*by signing this application you are allowing WMSWCD to post a 18"x24" sign on your property as well as publicize about your project*):

6. Explain how this project is sustainable. Describe your short and long term maintenance plan, including specific tasks and a timeline.

7. Explain how this project will be monitored/surveyed and documented:

***\*Attach relevant site photos and a map of the project area.\****

**Terms & Conditions**

By signing the Application, the applicant certifies that: District funds will be used only for the purposes approved by the District and will not be used for lobbying, for attempts to influence voting or legislation, or for litigation of any kind. The project/event will comply with the District's nondiscrimination policy. The West Multnomah Soil & Water Conservation District prohibits discrimination in all their programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, and marital or family status. (Not all prohibited bases apply to all programs.) The applicant organization agrees to be responsible for its own actions and for any damage or third party liability arising from the organization's activities related to its agreement with the District. It agrees to indemnify and hold harmless the District and its officers, directors, agents, and employees under the agreement. The applicant agrees that obtaining permits is not the responsibility of the District. The District will not be held responsible for the safety of organizers or participants in the project/event, or for providing insurance coverage. (The applicant organization is advised to check to be sure adequate insurance coverage is obtained for the project/event). The applicant is responsible for maintaining the project.

**Signature of Applicant (Original signatures must be received by the District)**

*By signing this form, I confirm that the above information is true and accurate. I certify that my organization will abide by the terms outlined in the FISH Application and Grant Guidelines, which include utilizing this form as a formal Agreement.*
