

## West Multnomah Soil & Water Conservation District Information Request

West Multnomah SWCD offers free technical assistance to private landowners on natural resources issues and land management, particularly for rural properties and those on streams. Assistance and partnerships address soil, water, animals (domestic, livestock & wildlife), plants and air resources. Contact 503.238.4775 or [www.wmswcd.org](http://www.wmswcd.org) for more information. (We do not share your information with other organizations)
